

Na Mikuláša....neučí sa, neskúša sa.

Žiaci tvorili básničky,

niektorí aj pesničky.

Na básnikov sa zahrali,

rýmy v angličtine tvorili.....

It is a Christmas time.

It's December night.

We've got a Christmas tree,

we don't have a tee.

In the city is ringing bell.

The devil can take you to the hell.

Under the tree is a gift.

Oh, it's a rift.

Barbora Bryjová, Kristína Beľujská (5.A)

Santa Claus is coming now,

children are shouting wuaw.

Hurry up! Lulu eats....

Santa Claus is going round and round.

He picks up his bag from the ground.

And never sad.

I wait at rink,
I have a think.
I can't be in the house,
because I 'm Santa Claus.
I was stack in a chimney,
because I saw the money.
I can't be a Santa,
because I like Fanta.
I saw the mouse,
I run across the house.

Saint Nicolas,
Wears Adidas.
He's a little bit round,
he was on the ground.
He's got a big house,
he found there a mouse.
He's got cool glasses,
he isn't a memembr of ISIS.
When he comes here, I 'm not sad.
His dress is red.
He's next to the tree.
his presents are free,
but only for me,
St. Nikolas 's gonna pay for it.
He can read my wish,
but which?
Also, all of them are good.
But please! Don't give me a wood.
